CULTURAL CONNECTIONS

Cultural Burning Camps / Workshops

Our single day or overnight cultural burn camps and workshops can provide for a unique learning experience for everyone. The camps and workshops not only cover Aboriginal Cultural Burning knowledge and practice, but include other Aboriginal Cultural activities, lessons, and presentations that are thought provoking and entertaining. These unique activities will give participants a rare insight into Aboriginal cultural values that place emphasis on Caring for Country and each other. You'll be treated to Aboriginal Cultural performances as well as traditional stories, songs and campfire yarns.

Our camps are held on Country at a variety of beautiful locations in natural bush settings throughout New South Wales.

Contact us to find out more about what's included and when / where these camps and workshops are happening.

*We are all visitors to this time, this place. We are just passing through.
Our purpose here is to observe, to learn, to grow, to love... and then we return home*
