

YARRABIN

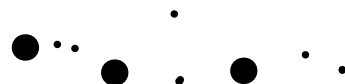

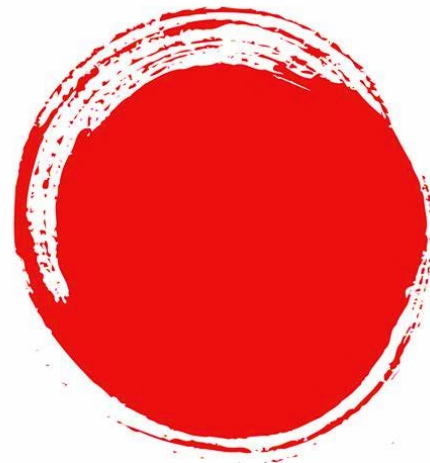

CULTURAL CONNECTIONS PTY LTD

Aboriginal Cultural Burning Consultancy

Yarrabin Cultural Connections (YCC) are experienced Cultural Fire Practitioners who aim to revive Traditional Aboriginal cultural practices of burning Country. Cultural burning is an alternative approach to Hazard Reduction techniques used by private and public landholders and managers. It also acts to reduce dangerous bushfire fuel loads that surround urban development and regional towns and properties. Cultural burning is a key part of looking after Country that is in need of the 'right fire' to help protect our native trees, plants and animals.

YCC provide Aboriginal Cultural Burning consultancy services to private and public landholders who are seeking to engage Aboriginal Cultural Burning Practitioners and groups to help restore land that has been impacted by wildfire, the absence of fire, and or infestation of exotic weeds.

We also provide Aboriginal Cultural Burning presentations to a broad range of audiences as well as conducting Cultural Burning Workshops on both public and private lands.

Our purpose here is to observe, to learn, to grow, to love... and then we return home*
