CULTURAL CONNECTIONS

Culture Camps / Team Building

Our single day or overnight culture camps can provide for a unique Team Building experience.

Our Corporate Program includes everything in our **Cultural Walks and Talks** with the added feature of Aboriginal Cultural activities and lessons, that are not only thought provoking, but will also challenge your group. These unique activities will give participants a rare insight into Aboriginal cultural values that place emphasis on sharing and caring and placing the welfare of the group above the individual.

Our camps provide all meals. Tents, swags and shelters may be available for smaller groups.

You'll also be treated to Aboriginal Cultural performances as well as traditional stories, songs and campfire yarns.

*We are all visitors to this time, this place. We are just passing through.
Our purpose here is to observe, to learn, to grow, to love... and then we return home*
