

YARRABIN

CULTURAL CONNECTIONS

Arts and Artefacts

Our collection and display of Aboriginal artefacts provide an experiential learning experience for school children, students and other clients that demonstrate the sustainable traditional practices of Aboriginal people. Learn their traditional names and uses. Look, hold, touch and feel these artefacts that have all been sourced from the natural environment to appreciate their simple yet practical design and application.

Yarrabin Cultural Connections also provide Aboriginal Themed Art Workshops for your school, work, community or social group. Create your own collaborative major artwork or individual pieces as part of a Workshop Project.

We are all visitors to this time, this place. We are just passing through.

Our purpose here is to observe, to learn, to grow, to love... and then we return home
