## CULTURAL CONNECTIONS

### **Arts and Artefacts**

Our collection and display of Aboriginal artefacts provides experiential learning for school children, students and other clients to demonstrate the sustainable traditional practices of Aboriginal people. Learn the traditional names and uses of these artefacts. Look, hold, touch and feel these items that have all been sourced from the natural environment to appreciate their simple yet practical design and application.

Yarrabin Cultural Connections (YCC) also provide Aboriginal Themed Art and Artefact Workshops for your school, work, community or social group. Create your own collaborative major artwork or individual pieces as part of a workshop project.

*We are all visitors to this time, this place. We are just passing through.*

*Our purpose here is to observe, to learn, to grow, to love... and then we return home*
